HORS D'OEUVRES, FINGER FOOD

We can put together a variety of "smallfoods" to suit any occasion, from the most casual to very formal and refined. Platters of vegetables, fruit, cheese, bread, cold cuts, etc., all well presented. Canapes and delicate two-bite creations that elevate the photo-sharing scale much further. A mix of hot and cold foods if presenting a bit at a time is desirable. Or just a nice mix of foods that safely match the taste of your guests. This is a nice way to start your event, or it could be the all you want, keeping people mingling while they eat at their own pace. We have a **separate menu** listing some options, suggestions, and pricing. Whatever you choose, we'll complete the food part of the puzzle that every gathering presents!
